Dance like a Twigggle

- Physical activity creating dance sequences

Hop, skip and twirl around your home or garden, just like the Twiggles do at their famous BeWILDerwood parties. Make up your own dances to share with your family - or even your friends online!

Try taking photos of your explorer doing their dance to help with their routine.

Dance Moves to Try!

- ✦ Hop on one leg (just like a Boggle)
- ✦ Twirl in circles (use a scarf to be just like a real Twigggle)
- ✦ Wiggle your body like a silly snake
- ✦ Wave your arms in the air like underwater seaweed
- ✦ Clap your arms like a Crocklebog's mouth
- ✦ Jump up and down like a fancy frog
- ✦ Stepping side to side like a clever crab
- ✦ Starjumps like a spectacular starfish
- ✦ Skipping like a giddy goat

Bonus Task

Think of a soopa doopa name for your dance!

What inspired your dance moves? Does it remind you of an animal, a person, or a character?
