

Fun Stuff at home!

Bewilderwood

Home & Garden Scavenger Hunt

- Physical activity hunting for specific objects in the house and garden

Find and identify natural and interesting objects around the home and in the garden.

Explore your surroundings, collect specific items and discuss what's unique, interesting and different about them.

You can even share your findings with us online!

In the Home

- Something soft
- Something hard
- Something tasty!
- A penny
- A button
- Something that makes a noise
- Something yellow
- Something stripey

In the Garden

- A plant that creatures eat
- A seed
- Mini-beasts or creepy crawlies
- A leaf that isn't green or brown
- Evidence of an animal
- Something smooth
- Something prickly
- Evidence of human beings

Bonus Task

Draw some of the wonderful things you have found!

*What special qualities does it have? Is it round or square?
What colour is it? Does it have bumps or is it smooth?*
